Nominations

Board Director & President

Alex Thomason, Lean Coach and Sensei, Nike: Alex has been a longtime member of NWHPEC and joined the Board in 2012. Alex brings excellent leadership and visioning to the NWHPEC Board that supports our member's needs. Alex has been our President since 2017.

Nominations

Rick Alvarado, VP of Operations, Woodfold: Rick has been engaged and involved in NWHPEC activities since the mid-2000's and joined our Board of Directors in 2016. Woodfold is known for opening their doors to host NWHPEC events and share best practices with members. Rick has always been highly supportive of the NWHPEC community and creating learning experiences for our members.

Nominations

Richard Carroll, Director at Large, retired (Conway): Richard joined the Board of Directors in 2012 when he was the VP of IT for Conway (now XPO). In his former position he led by example and created a strong culture of continuous improvement. His strong support for our mission and vision keeps him engaged and active on our Board.
